Remarks

In order to expedite the prosecution, Applicant has canceled the other independent claims that were rejected on prior art so that the only independent claim is allowed independent claim 101. A number of the dependent claims (claims 3-10, 12-14, 16-24, 27-33, 36, 40 - 41, 45 - 46, 58, 59, and 61) have been amended to depend from allowed claim 101 so that the only claims remaining in this application are allowed claim 101 and the claims dependent thereon. The correction in claim 22 noted by the Examiner has been made and some other minor corrections or changes have also been made.

It is stated for the record that Applicant does not accept the various rejections of the claims set forth in the Office Action and reserves the right to present these claims in a continuing application. However, as indicated above, in order to expedite the prosecution, Applicant has accepted allowance of claim 101 and has amended the majority of the dependent claims so as to depend from claim 101.

Allowance of the application in its present form is respectfully solicited.
